Metro Light & Power's line of power & data solutions offers sophisticated design elements combined with greater ease of installation. Streamlined and low-profile, enhanced by side-exiting cords, our outlets advance the industry with their cutting edge look and feel. We believe flexibility is key, and we provide a variety of mounting options, including the ability to mount in limited spaces. Our outlets are available in many finishes and configurations, in addition to a custom color and finish capability for our clients.
