PRODUCT HIGHLIGHTS

- Powerful handheld garment steamer makes getting that perfectly pressed look fast and easy. No more ironing board!
- 15 Minute Auto Off feature
- Steam Trigger with Lock-Down position for continuous steam
- Quick and easy – ready to use in less than 45 seconds
- Wide steam area covers more fabric at once
- Heated wide press bar presses out tough wrinkles and dries fibers to prevent re-wrinkling
- Effective on all types of fabrics, linens and drapes
- Stand-Up stable design allows steamer to stand on a flat surface for easy storage or between steaming tasks
- Easy remove base for easy fill and empty
- Safety guard keeps steam way from hands while using
- Two steam levels, hi and low
- 10 foot 360 degree swivel cord
- Velcro wrap for easy cord storage
- 3 Year Warranty

* When compared with similar competitive steamers
