

SMOKERS' OASIS

SRS-1

The smoking receptacle that started it all! Its timeless, functional design and rugged construction ensure years of hassle-free use.

See why tens of thousands of facilities have relied on the Smokers' Oasis for decades to keep smoking areas tidy.

SPECIFICATIONS:

- All steel cigarette receptacle
- Fire-safe steel will not melt or burn and requires no sand or water for use
- Weather & UV-resistant powder coat finish cleans easily with a damp cloth
- Features a 4.5-gallon removable galvanized steel container with bail handle for mess-free emptying
- Positioning of 3 oblong openings at the top ensures minimal air flow to prevent cigarette smoldering
- Shape of openings also helps keep rain & trash from being dropped inside
- Sure-fit industrial stainless steel hasp closure secures unit top to base
- Optional lock kit includes plastic-coated security lanyard & padlock for securing unit to pole/fence/etc.
- Lock Kit (SRS-LCK) sold separately
- Contains over 30% recycled materials & is 100% post-consumer recyclable
- Some assembly required - refer to instructions sheet

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.

APPLICATIONS:

- Parks/Park Districts
- Office Building Entrances
- Outside Stadiums
- Casinos
- Outdoor Patio Bars/Restaurants
