

LANDSCAPE SERIES

WR-2441 T BLK

The WR-2441 Landscape Receptacle is a large, extremely durable unit built to withstand the elements.

Designed for outdoor applications, this Landscape Series unit features a 40-gallon capacity and attractive, perforated steel construction.

SPECIFICATIONS:

- 40-gallon outdoor waste receptacle
- Two rectangular trash openings on either side of unit
- Two TRASHMAN decals pre-applied to unit on either side
- Dome lid secured to unit with plastic-coated steel security lanyard
- Heavy-duty leveling feet on the bottom of each unit for stability
- Pre-drilled holes in the bottom of each unit allow for in-ground mounting (anchor kit included)
- Each unit includes an LLDPE liner with lift holes & bag retention notches
- Liners meet UL94 flammability standards
- Contains over 30% recycled materials & is 100% post-consumer recyclable

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
